

NFE <> Power for All - July 31st 2025

Had a meet and great with [Joel](#), [Alba](#) and [Sumaya](#) from power for all.

They shared plenty of questions and feedback on our model. Here's some resources they shared that I am following up on.

- <https://www.ze-gen.org/about-ze-gen/> - TBD
- <https://a2ei.org/> Working on an open smart meter we could use. Downloaded their data [here](#) and will reach out to [Thomas](#) about an open smart meter
- Oddessy - Battery vendor who may be able to help us with phase 2
- Band

I invited them to join [our advisory team](#).
